## **CLAIMANT'S STATEMENT**

#### **CLAIMANT'S RIGHTS - To be read by the Claimant**

Please read the information given below which explains your rights under the Access to Medical Reports Act 1988 and sign the Consent to obtain a Medical Report. Under the rules of the Society, we may require you to be medically examined (at our expense) or seek medical information from your own or from any other doctor who has attended you. Signing the Consent now will save time later and we want to be able to deal with your claim as quickly as possible.

You do not have to give your consent to our Medical Adviser being provided with medical information but if you do, you have the right to tell the doctor that you wish to see the report before it is sent to us. If you express a wish to see the report, the doctor cannot send it to us unless either he has shown it to you or 21 days have passed without you having contacted your doctor about arrangements for you to see it.

Of course, the quicker you act, the quicker your claim can be considered and we will not be able to proceed with your claim in the absence of medical information.

Whether or not you say you wish to see the report before it is sent to us, the doctor must let you see a copy of it for up to six months after it is supplied, upon request. If you do ask the doctor for a copy of the report, you can be charged a reasonable fee to cover costs.

Once you have seen a report before it is sent to us, the doctor cannot submit it until you give your consent. You can write to your doctor asking to amend any part of the report which you consider to be incorrect or misleading. You may also have attached to the report, a statement of your views on any part where you and the doctor are not in agreement and which the doctor is not prepared to alter.

The doctor is not obliged to let you see any part of the report if, in his opinion, that would be likely to cause serious harm to your physical or mental health or that of others; or would indicate the doctor's intentions towards you; or if disclosure would be likely to reveal information about - or the identity of - another person who has supplied information about you, unless that person has consented or the information relates to, or has been supplied by, a health professional involved in caring for you. In such cases, the doctor must notify you and you will be limited to seeing any remaining part of the report. If it is the whole report which is affected, he must not send it to us unless you give your consent.

#### DOCTOR'S NOTES - To be read by the Doctor completing this report

Under the Access to Medical Reports Act 1988, certain legal requirements have to be complied with by both insurers and any doctor who has responsibility for the health care of any individual making a claim.

The Claimant must have given consent for us to approach you and this consent is below. This consent indicates whether the Claimant wishes to see the report before it is sent to us. If the Claimant has said that they do not wish to see the report, there is no need to delay. Please send the report to the address given at the end of this form.

If the Claimant has elected to see the report, he/she has been told that he/she has 21 days to make an appointment with you to see the report.

You have the right to withhold the report or part of it from the Claimant if you consider it might be harmful and, if in doubt, you may wish to take advice from your Medical Protection Society or Defence Union on this matter.

If, after 21 days, they have not approached you, you should send the report to the address given at the end of this form.

Please keep a copy of this report for your records as the Claimant has the right during the next six months to see it, for which you may make a reasonable charge.

#### **CLAIMANT'S CONSENT - To be signed by the Claimant**

I have been informed of my statutory rights under the Access to Medical Reports Act 1988, and in connection with my Insurance claim, hereby consent to Unity Mutual being provided with medical information from any doctor who at any time has attended me concerning anything which affects my physical or mental health, and I agree that a copy of that consent shall have the validity of the original.

I wish to see the report before it is sent to Unity Mutual I do not wish to see the report before it is sent to Unity Mutual
